UTARCF CAMP 2010 - SPIRITUAL COMPASS
FINDING DIRECTION IN LIFE THROUGH STRENGTHENING OUR RELATIONSHIP WITH GOD

Sometimes, people think that they readily know their directions in lives. Some have great dreams while some others have perfect models of life with great career & great family while securing their tickets to heaven... However, is this God's Plan for your life?

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." (Jeremiah 29:11)

In view of this, the theme of our camp is "Spiritual Compass", a compass with an arrow that always points us to our Abba Father. This camp aims to provide an avenue for us to start a journey of discovery for His plans in our lives. It will be a time of reflective seeking, when campers are continually redirected to God in order to know Him more. It will be a time of self-discovery, when we are challenged to seek and take up the plan that He has drawn for our lives.

There are many paths that we can choose, and one of those paths will lead us to His plan. Let's find it, shall we?
